[URGENT] Do not extradite the Chechens!

Minster of Interior

Minister Habib Ibrahim El Adly

Ministry of the Interior

Dear Minister

I am writing to express my great concern for Maskhud Abdullaev or any other nationals, who would be at risk of torture or other ill-treatment if returned to Russia. I urge you not to forcibly return them.

And I call on you to allow them to meet representatives of the Office of the UN High Commissioner for Refugees (UNHCR) in Cairo to assess their protection needs.

I also urge you to grant them access to lawyers of their choice to challenge their deportation, their families, and provide them with any medical attention they may require.

Thank you for your prompt attention to the above.

Respectfully Yours
